DETERMINING BEST FIT

Alignment

1. Know the mission of the agency and what it is mandated to fund
2. Determine the agencies priorities
 - a. Look at the RFPs from the last couple of years (what do they say are their priorities?)
 - b. See what they have funded in the last couple of years
3. Address a need relevant to agency's mission/priorities and develop a potential solution
4. Talk with a program officer
