

PROJECT M-NET

Logic Model for Project *m-NET*

Situation: *Project m-NET* is designed to assist high-need local educational agencies (LEAs) in the development, enhancement, or expansion of innovative programs to recruit, train, and retain teachers for core content areas. High-need LEAs typically encounter a number of barriers to recruiting, selecting, and retaining high quality teachers. *Project m-NET* partners, independently and collectively desire to assist identified LEAs in overcoming these barriers and enhance their ability to retain teachers and school leaders qualified to address how to improve student academic achievement and other school challenges.

Priorities: Education needs enhanced capability of teachers and school leaders to lead educational reform efforts in high need, hard to staff LEA's by understanding how to improve teaching and learning, influencing policy, involving the community, and documenting how to help students achieve at higher levels.
