

RMC Services for Data Management

**Research Methodology Center
College of Education and Human Ecology**

RMC Mission

- The Research Methodology Center (RMC) is a fully-resourced academic research center housed in the College of Education and Human Ecology (EHE) at The Ohio State University

RMC Mission

- The RMC's Mission is to advance the design and conduct of high-quality research in education and human ecology, thus promoting the well-being and development of children, adults, families and schools.

Working with the RMC

- The RMC Consulting Services do not currently perform data analysis for our clients
- Consultation is sometimes more effective if we share data

Working with the RMC

- If you wish to share your data with your consultant at the RMC:
 - Bring data on your own laptop or flash drive
 - Make sure all data are de-identified
 - Limit access to Qualtrics data
 - Bring data documentation

RMC Working for You

- Professional development and capacity building in Data Management is a priority
- RMC is happy to provide:
 - Hands-on workshops on Data Management in a variety of software environments including SAS, STATA, SPSS, R
 - Professional development in all aspects of data management and data quality
 - Resource Guides and EMUs
